**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential subscriber who will be "materially affected" if key components of the 1996 Telecommunications Act like Section 251(c)(3) are dismantled.

I chose a local competitive provider (not ATT, Comcast or the like) because I believe in supporting local companies (and jobs and people in my community) - and primarily because the service from my local provider is much better than those from ATT or Comcast.

Do not grant the petition from USTelecom.
